Joseph H. Emminger, Project Manager
ENPM, Inc

WEB ADDRESS FOR QUESTIONS

ENPMAPPRAISERS.COM/REASSESSMENT

ENPM PROJECT QUESTION LINE
607.203.2166

WHAT'S NEXT?

What you can do?

If you disagree with your new assessment, the presenters will go over the steps you can take to challenge it.

How to challenge your reassessment?

Submit supporting documentation/burden of proof, why your assessment should be less than what you were assessed. For information on documents to prepare, visit enpmappraisers.com/reassessment.

Tax Impact?

Reassessment projects can impact taxes by potentially increasing, decreasing, or keeping them the same, depending on how market value of your property has changed compared to previous assessments. The primary goal is to ensure all properties are taxed fairly/equitably.

Important Dates You Need to be made aware of will be discussed and presented during the public meeting. This information can also be found on your town assessor website.
