

Planning Board
Town of Pittsfield
Planning Board Meeting
Pittsfield Town Offices

June 15, 2021

Jim Austin called the meeting to order at 6 PM. Cooper Keyes and Larry Keenberg were present. Liam Keyes was also present as a member of the community.

Old business: Nothing outstanding

New business: As per Cooper's suggestion in the recent past, Jim thought it timely to consider editing/updating the 1988 Regulations. The question arose as to the wisdom of consulting an attorney in regard to this issue.

An example of an addition would be the incorporation of a 'simple split' of an individual's property. All agreed that this would be helpful to the community.

Cooper thought that the board could read the regulations in increments, making possible adjustments.

Jim expressed the need for assistance although had concerns about the expense of consulting the town's lawyer.

At 6:30 there was a motion to close the meeting by Larry which was seconded by Cooper. All were in favor.
