January 17, 2023

Members present: Jim Austin, Kaylee Weidman, Paul Stein, Larry Keenberg

The meeting was called to order at 6:00 p.m. by chairman Austin.

Austin opened the public hearing on a subdivision application from Chris Rose. One member of the public attended the hearing to learn more about the subdivision and had no concerns following a brief discussion of the proposed subdivision. With no one else present for the hearing it was closed.

Board members again went over the application materials with Chris Rose and determined he had provided all information required by the regulations. There were no concerns among the members in regard to the proposal.

Paul Stein made a motion to approve the subdivision application and instruct the chairman to sign the survey. The motion was seconded by Kaylee Weidman. The motion passed with all in favor.

There was no new business and following a brief general discussion, the meeting was adjourned.
