

# **Town of Pittsfield Planning Board**

**Meeting minutes May 17, 2022**

Members present: chairman Jim Austin, Kaylee Weidman, Paul Stein, Tom Golden

Chairman Austin called the meeting to order at 6 p.m.

This was the first meeting of the reconstituted planning board following resignations that rendered the board inoperative for a lack of the quorum required to conduct business.

The only business before the board was an application submitted in February from Joseph Zenovic for a five-lot subdivision of 26.5-acre parcel 188.00-1-37.01 on the corner of Route 49 and Hawks Rd. Zenovic is being represented by William Green of the Green and Green law firm of Cooperstown. No one attended the meeting.

Members reviewed the map and application form, but had a number of questions about the information. Austin said he would contact the attorney and suggest that would speed the application process if a representative would attend the June meeting to provide additional information.

The board then turned its attention to a general discussion of planning in the town of Pittsfield and the need for a comprehensive plan.

The meeting was adjourned following the discussion.
